Accommodation:

We only feature hotels and lodges that we have stayed in and we believe to be the best in their area, always looking for value, character, and good service. In some of the secluded and undeveloped regions, the obvious trappings of comfort may not be immediately apparent, but something special is everywhere: a unique style, a remarkable setting, wholesome comforts, and a dedication to protect their natural setting and to please every guest.

Eco Tourism and Sustainable Travel:

We believe in the right of future generations having a healthy environment and natural resources that contribute to a better quality of life. No matter where you go or how you travel, you will have an effect on the environment and the people you visit. We also believe that you can have a more authentic and meaningful trip when sustainable tourism practices are applied.

We are strongly committed to the ideals of **sustainable tourism** and strive to play our part in protecting the environment, economy and the cultures of all our destinations. We are committed **to sustainable tourism** and minimizing its impact on the environment and to reducing its dependence on non-renewable resources. In this endeavor, we have implemented policies to support this sustainable travel mission and are working carefully to enhance our products with this mission and our values combined. We are committed to complying with all relevant legislation and/or regulations to ensure sustainable tourism.

Roaming Africa Tours and Safaris maintains a policy of "Leave Only Footprints and Take Only Photos." Our staff and major service providers strive to ensure that no removal of any natural or cultural artifacts or materials to ensure our environment looks and functions the same before and after our visit
