

We offer awe inspiring **Uganda Safari Tours** and tailor-made Uganda safaris. A **Uganda safari** with us can include game-drives on the savannas, bird-watching, chimps & Uganda gorilla trekking, community tourism, relaxation and much more. Groups of both **Uganda Mountain Gorillas** and Chimpanzees have been habituated for tourists to visit them and it is an unforgettable experience to walk through the forest and finally spot them. In combination you can take a boat-cruise, go for a safari walk or for the more adventurous tourist **rafting on the Nile** or hiking in the Rwenzori Mountains or on Mount Elgon are possibilities. In all our Uganda safaris! a community and cultural aspect can be incorporated through for example visiting a school, seeing a performance of cultural dance or seeing the Kasubi Tombs. We cater for private trips as well as groups.
