

Uganda is a top undiscovered safari destination. A **safari to Uganda** is one of the best and memorable experiences you will ever experience while on Safari. Uganda is still untouched and virgin. Uganda is a country of many surprises with rolling hills, sparkling crater lakes, abundant wildlife, adrenaline activities and, of course, the **endangered Mountain Gorillas**. Uganda is still authentically African, lush green and home to the friendliest people on the continent.

Welcome and enjoy our uniquely designed **Uganda safaris experiences** and **Uganda tour packages** will feature **Uganda gorilla tracking safaris** , Uganda wildlife and Uganda game viewing safaris. You will also experience highly adventurous Uganda expeditions and bird-watching safari or savor the Uganda Rolex . The **Uganda Rolex** is a Favorite Fast Food of Ugandans ! Its a rolled Chapati filled with scrambled Eggs, Vegetables, even Sausage or other meat
