

Travel Insurance in Kenya ,Tanzania and Uganda with Resolution Insurance!

Travel Insurance is insurance that is intended to cover medical expenses, financial default of travel suppliers, and other losses incurred while traveling, either within one's own country, or internationally.

Temporary travel insurance can usually be arranged at the time of the booking of a trip to cover exactly the duration of that trip, or a "multi-trip" policy can cover an unlimited number of trips within a set time frame.

Have you thought of how something unfortunate can be overwhelming especially when you are traveling?
